

INTERNATIONAL STUDENT CASE COMPETITION

Organized by ILA's Leadership Education Member Community, the yearly case competition brings together teams of students to face-off in an event where they analyze and develop a specific set of strategic recommendations that address key issues in a real-world case involving a contemporary leadership issue pertaining to a UN Sustainable Development Goal: SDG# 14 Life Below Water (Graduate Division) and SDG# 15 Life On Land (Undergraduate Division). The winning team from each division (graduate and undergraduate) receives a \$1,000 cash prize, complimentary ILA memberships, and is honored at the closing plenary of the conference.

Conference attendees are invited to attend the poster showcase and finalist presentations to engage and support this emerging generation of contributors to the field.

POSTER SHOWCASE
THURSDAY | 17:30-18:30
