## **Easiest way to use Public Transportation in Prague**

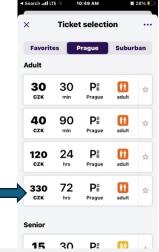

Once in the app, In the menu on the bottom go

Download the PID Litacka app on your phone.

Select "buy a ticket" at the bottom and then select from your options. Probably you'll want the 72 hour ticket for

want the 72 hour ticket for 330CZK (= about \$15 USD)

Enter credit or debit card information or by Apple Pay;

Activate your e-ticket on the app when you are ready to use it (and the 72 hours will start)

> This ticket will apply to trams, metro, busses, the funicular, and even ferry rides across the river. All you need to do is have it on you!

You just hop on and off the transportation, it's very easy!

\*NOTE: You may or may not be checked for your ticket while on board transportation. If you are checked by someone with this badge below, just show them your ticket in the app.
